Because of the intensive relational nature of this trip, it's important that we have a clear picture of your emotional and mental health. Please share honestly! Answering yes to either or both of the next two questions will not necessarily exclude you from the trip, it will simply help us better evaluate how to best make your time a positive experience.

Have you ever struggled with depression or had any mental health problems? If yes, please explain.

Have you ever been under psychiatric or psychological care? If yes, please explain.

For these next questions, please use separate sheets of paper. Please be real and honest! We are not looking for any particular answers to these questions, but are seeking to get to know you better.

1. Why do you want to be part of this trip? What are you hoping to gain from the experience?
2. What is your definition of a servant?
3. How are you currently serving the Lord at First Alliance and/or in your community? Explain what you do, who you are serving, how long you have been serving, and what you are learning.
4. What do you feel are your strengths and Spiritual gifts?
5. What do you feel are your weaknesses?
6. What are some of your hopes, dreams, and goals? (*Where would you most like to live, what would your ideal job/vocation be, etc...*)
7. Who has been the most influential person in your life? Why?
8. Please write a one to two page testimony describing your journey with Christ, including how you came to know the Lord, experiences of grace, struggles and frustrations, and your current walk with him.

By signing below, I agree that I have answered all questions in this application honestly and to the best of my knowledge.
