

Sermon title: The Tools of the Shepherd

Sermon text: Psalm 23:4

- 1) What phrase, illustration, or point stuck out to you from the message?
- 2) Which tool do you most need at the moment, the rod or the staff? What attribute of that tool do you need? Why?
- 3) How do Scripture and the Holy Spirit bring you comfort? Share an example or experience from your own life!
- 4) Pray for our church family, that each individual would seek out ways to experience deeper community, whether that be a LIFE group or something else.
- 5) Pray for the people who are walking through a dark valley at the moment. Pray they would feel the comfort of the rod and staff.
